

Curriculum Vitae of
Prof. Livinus Chukwura Ezugu
(As at January, 2018)

A. BIOGRAPHICAL DATA

1. NAME: Prof. Livinus Chukwura Ezugu
2. ADDRESS: Department of Electrical/Electronics Technology
Education, Modibbo Adama University of Technology,
P.M.B. 2076 Yola, Adamawa State, Nigeria
3. DATE OF BIRTH: Jan. 22nd, 1956
4. GENDER: Male
5. MARITAL STATUS: Married
6. NATIONALITY: Nigerian
7. STATE OF ORIGIN: Enugu
8. LOCAL GOVERNMENT AREA: Udenu
9. SCHOOL/FACULTY: Technology and Science Education
10. DEPARTMENT: Electrical Technology Education
11. DATE ASSUMED DUTY IN MAUTECH, YOLA: Jan. 3rd, 1992
12. DATE OF CONFIRMATION OF APPOINTMENT: June 22nd, 1995
13. ACADEMIC/PROFESSIONAL DISCIPLINE: Vocational Industrial Technology
Education (Electrical/Electronics Technology)
14. AREAS OF TEACHING AND RESEARCH:
 - (a) Industrial Technology Education
 - (b) Electrical/Electronics Technology
 - (c) Competency-based curricular and Course development
 - (d) Technology teacher education competencies
 - (e) Administration and Supervision in Voc/Industrial Tech. Education
 - (f) Technology Education Laboratory Management
 - (g) Job Satisfaction and Performance
15. PRESENT SUBSTANTIVE RANK: Professor in Industrial Technology
Education
16. DATE OF LAST PROMOTION: October 1st, 2008.

17. EDUCATIONAL QUALIFICATIONS:

Institutions attended with dates and qualifications obtained

S/No	Institution	Qualification	Date/Year
1	University of Nigeria, Nsukka (UNN)	Ph.D. Industrial-Technical Education (Electrical/Electronics Technology)	April, 2004
2	Iowa State University of Science and Technology (ISU) Ames, Iowa, U.S.A.	M. Sc. Industrial Education and Technology (Electrical/Electronics Technology)	August, 1987

3	University of Nigeria, Nsukka (UNN)	B. Sc. Industrial-Technical Education (Electrical/Electronics Technology)	June, 1983
4	Institute of Management & Technology (IMT), Enugu	N.C.E. (Electrical Installation and Technical) Drawing	July, 1980
5	University High School (Now St. Theresa's College), Nsukka	W.A.S.C.	June, 1975
6	St. Patrick's Primary School, Neke	F.S.L.C.	1970

B. MERIT AWARDS AND HONOURS

1. Federal Republic of Nigeria Government **Scholarship for Technical Teachers Training Programme to study for a Masters Degree in Industrial Education and Technology** at Iowa State University of Science and Technology, Ames, U.S.A. (1985).
2. **Membership, The International Honourary Professional Fraternity for Education in Technology (Episom Pi Tau)**, Alpha Xi Chapter, Iowa State University of Science and Technology, U. S A. (1987)
3. **Study Fellowship Award by the Federal University of Technology, Yola, to study for Doctorate Degree in Industrial Technical Education** at the University of Nigeria, Nsukka (1999).
4. **Merit Award for Excellence In Chosen Profession and Outstanding Contributions to the Development of Ndigbo.** (Award by Enugu Progressive Union, Yola Branch, Adamawa State). (2005)
5. **FELLOW, the Strategic Institute for Natural Resources and Human Development.(IRHD)** (2013)
6. The **2016 National Academic Medal of Honour AWARD for Innovative Contributions Towards the Development of Education in Nigeria.**(Award by Afrinews Independent Magazine, Abuja).

C. COMPLETED RESEARCH PROJECTS

- a) An assessment of the Technical Teacher Training Programme (TTTP) in Nigerian tertiary institutions and its effect on technology development (1999).
- b) Job satisfaction and professional task performance among technical college teachers in the North Eastern States of Nigeria (2001).
- c) Relevance of competency-based education to vocational and technology teacher education (2000)

Theses

- d) A comparative study of the role of vocational educators in the 6-3-3-4 system of education as perceived by vocational educators and their employers in Anambra state (B. Sc. Thesis, University of Nigeria, Nsukka,1983).
- e) Selecting and purchasing industrial arts/technology laboratory equipment in Iowa senior high schools (M.Sc.Thesis, Iowa State University of Science and Technology, Ames, Iowa, U.S.A., 1987).

- f) Relationship between job satisfaction and occupational task performance among technical college radio, television and electronics works teachers in Nigeria, (Ph.D. thesis, University of Nigeria, Nsukka, 2004).

D. WORK BACKGROUND AND EXPERIENCE

S/N.	Position	Period	Establishment
1	Full Professor in Vocational Industrial Technology Education	2008 – Date	Federal University of Technology, Yola
2	Associate Professor in Vocational Industrial Technology Education	2004 -2008	Federal University of Tech. Yola
3	Associate Professor in Vocational Industrial Technology Education	March 2010- March 2011	Benue State University, Makurdi (On Sabbatical Leave)
4	Senior Lecturer	2000-2004	Federal University of Tech. Yola
5	Lecturer I	1995-2000	Federal University of Tech. Yola
6	Lecturer II	1992-1995	Federal University of Technology, Yola.
7	Head of Department and Electrical Installation and maintenance Works Teacher (Master III)	1981-1983	Govt. Technical College, Nsukka.
8	Head of Department and Electrical Installation maintenance work Teacher (Master II)	1983-1985	Govt. Technical College, Nsukka
9	Head of Department and Electrical Installation and maintenance works Teacher (Master I)	1987-1992	Govt. Technical College, Nsukka

E. TEACHING AND PROFESSIONAL EXPERIENCE

Undergraduate Courses Taught

1. TE451 Research Methods II (2 Units)
2. TE 557 Management of Technology Education Laboratory (2 Units)
3. TE 463 Maintenance and Repairs (2 Units)
4. TE 368 Radio and Television: Theory and Servicing (2 Units)
5. TE 467 Electrical Machines I (2 Units)
6. TE566 Advanced Electronics (2 Units)
7. EL561 Electrical/Electronics Equipment Maintenance and Repairs (2 Units)

8. TE351 Measurement and Evaluation II (2 Units)
9. TE570 Tariffs and Economic Considerations (2 Units)
10. TE 569 Telecommunication II (2 Units)
11. TE568 Industrial Electronics (2 Units)
12. TE383 Workshop Practice and Technology (2 Units)
13. EDT 421 Power Electronics (2 Units)
14. EDT 319 Radio Communications (2 Units)
15. EDT208 Basic Electronics (2Units)
16. EDT 434 Television II (3 units)

Postgraduate Diploma Courses Taught

1. DT605 Occupational Analysis and course Construction in Technology Education (2 Units)
2. DT609 Techniques of Teaching Technology Subjects (2 Units)
3. DT618 Planning and Management of Technology Education Laboratory (2 Units)
4. DT608 Organization and Coordination of Technology Education (2Units)
5. DT617 General Methods (2 Units)

Masters Degree Courses Taught

1. TE701 Contemporary Philosophies in Vocational/Industrial Technology Education (2 Units)
2. TE702 Administration and Supervision of Vocational/Industrial Technology Education (2 Units)
3. TE715 Policy Framework in Vocational/Industrial Technology Education (2 Units)
4. TE708 Seminar in Vocational/Industrial Technology Education (2 Units)
5. TED707 Communications Technology (2Units)
6. TED723 Microprocessors and Microcomputers (2 Units)

Supervision and Guidance of Doctoral Theses and Masters Dissertations

Doctoral Degree Theses

1. Ezekiel Silas (Ph.D./TE/04/669). Development and Validation of an instrument for evaluating the performance of Teachers of Electrical Installation and Maintenance Work in Science and Technical Colleges in the North Eastern States of Nigeria (*Major Supervisor*) [**Completed**]
2. Mbaga, Vandi Emmanuel (Ph.D./TE/04/0333), Technical Skills Improvement needs of Electrical Installation and Maintenance Practice Teachers of Technical Colleges in the North Eastern States of Nigeria. (*Major Supervisor*) [**Completed**]
3. Ajiodiya, Aggrey Lama (Ph.D./TE/04/410). Design and Construction of Micro-computer controlled printed circuit board drilling machine (*Major Supervisor*) [**Completed**]
4. Patrick, Chinda Duhu (Ph.D./TE/04/0470). Information and Communications Technology (ICT) skills retraining needs of Vocational and Technology Education teachers for effective implementation of E-Learning in tertiary institutions in the North Eastern States of Nigeria (*Major Supervisor*) [**Completed**]
5. Yakubu Samaila (PhD/TE/07/0084). Development of computer-aided instruction for teaching electricity/electronics in colleges of education in North Eastern states of Nigeria (*Major supervisor*) [**Completed**]
6. Ehud, Garba Yakubu (PhD/TE/06/0384). Relationship between pre-service technical

- teacher training programmes in colleges of education and job performance of technical teachers in North Eastern Nigeria. (*Major supervisor*) [**Completed**].
7. Joseph Zambwa (PhD/TE/07/0471). Technical competencies retraining needs of technical college Radio, Television and Electronics works teachers in Northern Nigeria. (*Major supervisor*) [**Completed**]
 8. Makinde, Adeola Abraham (PhD/TE/07/0425). Evaluation of competency level of computer and GSM maintenance personnel in North Eastern States of Nigeria. (*Major supervisor*) [**Completed**]
 9. Dauda Moses (PhD/TE/07/0473). Effects of risk liability tort and prevention practices on power plant stability for effective industrial training in Nigeria. (*Major supervisor*) [**Completed**]
 10. Iorbee, Michael Mhlaga (PhD/TE/07/049). Graduates and employers perceptions of entry-level employability skills needed by electrical/electronics programme graduates of technical colleges in the North Central states of Nigeria. (*Major supervisor*) [**Completed**]
 11. Onuh James (PhD/TE/08/0028). Entrepreneurial re-training competencies needed by electrical installation and maintenance work trade in science and technical colleges in North-east geo-political zone, Nigeria. (*Major supervisor*). (**Completed**)
 12. Manabete Stevenson Samtareni (PhD./TE/09/0436). Effectiveness of management practices in technical colleges by college administrators in North-east geopolitical zone, Nigeria. [**Completed**]
 13. Agbu Amos Danlami (PhD/TE/12/0848). Effects of three teaching methods on students' academic performance in Electrical Installation and Maintenance Works in Taraba State Technical Colleges. (*Major supervisor*). (**On-going**).

Masters Degree Dissertation

1. Dahiru, Sale Mohammed (M.TECH/TE/02/316). Motivational factors for improving the teaching of Electrical Installation and Maintenance work in Technical Colleges in Kano and Jigawa States (*Sole Supervisor*) [**Completed**]
2. Agbu, Amos Danlami (M.TECH/TE/02/0118). Competencies needed by teachers for effective teaching of Radio, Television and Electronics works in Science and Technical Colleges in the North Eastern States of Nigeria. (*Sole Supervisor*) [**Completed**]
3. Wada, Bitrus Zira (M.TECH./TE/02/289). Management Practices among Technical College personnel in Adamawa State. (*Sole Supervisor*) [**Completed**]
4. Amos, Shuiabu Enebehi (M.TECH/TE/02/150). Content Evaluation of Introductory Technology Curriculum in Kogi State secondary schools (*Sole Supervisor*) [**Completed**]
5. Adamu, Umaru Kwame (M.TECH/TE/02/136). Workshop facilities management practices for effective instruction in Vocational and technical colleges in Gombe State (*Sole Supervisor*) [**Completed**]
6. Idris, Ibrahim Dangi (M.TECH/TE/01/076). Factors militating against the effective teaching and learning of building trades in Government Technical Colleges in the North Eastern sub-region (*Sole Supervisor*) [**Completed**]
7. Iorbee, Michael Mhaga (M.TECH/TE/02/377). Design and Construction of Anti-self

- Restating Device for portable Electrical Appliances. (Sole Supervisor) **[Completed]**
8. Nnaemeka, Igara Nicholas (M.TECH/TE/05/0280). Evaluation of tools and equipment maintenance practices for effective teaching of Electrical Installation and maintenance practice in Technical Colleges in the North Eastern State of Nigeria. (Sole Supervisor) **[Completed]**
 9. Ofem, Livinus Omini (M.TECH/TE/04/0187). Entrepreneurship skills needs of Technical College graduates and the implications for curriculum improvement in Cross River State. (Sole Supervisor) **[Completed]**
 10. Stephenson, S. Manabete (M.TECH/TE/06/0088). Evaluation of facilities of Electrical Installation and maintenance works programme of Technical Colleges in North Eastern States of Nigeria (Sole Supervisor). **[Completed]**
 11. Makinde, Adeolu Abraham (M.TECH/TE/01/041). Strategies employed in the maintenance of equipment in Electrical/Electronics workshops of Technical Colleges in the North Eastern States of Nigeria. (Sole Supervisor) **[Completed]**
 12. Onuh, James (M.TECH/TE/02/0084). Relationship between instructional facilities adequacy, utilization and students' performance in National Technical electrical installation and maintenance work examinations in Benue and Taraba State (Sole Supervisor). **[Completed]**
 13. Gayandi, Stephen Lander (M.TECH/TE/04/0710). An appraisal of the performance of the National Board for Technical Education on its accreditation role in Science and technical Colleges in the North Eastern States of Nigeria (Sole Supervisor) **[Completed]**
 14. Bulus, Awale (M.TECH/TE/06/0088). A follow-up study of the mechanical trades graduates of technical colleges in industries and its implications for curriculum improvement in Technical Colleges in Kaduna State (Sole supervisor). **[Completed]**
 15. Abdullahi Musa Cledumas (M.Tech/TE/08/001). Graduates and employer assessment of Technical Skills needed by Electrical installation and maintenance works teachers in North Eastern states of Nigeria. **[Completed]**
 16. Abdullahi, Bala (M.TECH/TE/12/0607). Availability and utilization of instructional resources for skills acquisition in radio, television and electronics works in technical colleges in Kaduna State **[On-going]**
 17. Samuel Tida (M.TECH/TE/14/0306). Competencies needed by mechanical technology education graduates of universities for effective teaching in science and technical colleges **[On-going]**

Postgraduate Diploma Project

1. Mustapha, D. Hussein (PGDE/97/0003). A Comparative study of Academic Performance of Pre- NCE and Direct entry students in NCE final Examination at the Federal College of Education Yola. (Sole Supervisor) **[Completed]**
2. Josiah, S. Joshua (PGD/TE/02/0457). An assessment of the safety practices in workshop/Laboratories in Technical Colleges of Adamawa State (Sole Supervisor) **[Completed]**
3. Ilesanmi, Joanna O. Yemisi (PGD/TE/02/144). Assessment of feeding habits of students and its effects on their academic performance in the selected girls boarding secondary schools in Yola metropolis (Sole Supervisor) **[Completed]**

Undergraduate Degree Research Projects

Supervised and guided over 100 Bachelors degree students in Vocational Industrial Technology Education since 1992

External Examination of Doctoral Degree Theses and Masters Degree Dissertations

Doctoral Theses

1. Aliyu, M. B (2008). (Reg. No. PGS/2004-2005/406001). An Evaluation of introductory technology teacher preparation programme in single and dual institutions in Nigeria. **(Passed)**
2. Hassan Bello (2009). (Reg. No. .PGS/2005-2006/603043). Development of an instructional model for teaching difficult concepts in some content areas of electrical/electronics curriculum at Nigerian Certificate of Education Level. **(Passed)**
3. Adamu, Mohammed Jebba (2016). (Reg. No. PhD/STE/2012/423). Comparative effects of synchronous and asynchronous approaches on College of Education Students' achievement, interest and retention in Electrical Technology **(Passed)**

Masters Dissertations

1. Aliyu, Isah (2009). (Reg. No. PGS/2002-2003/405011). The effects of learning styles and students' achievement and retention in electrical installation and maintenance works in technical Colleges in Kebbi State. **(Passed)**
2. Sani, Mustapha Sumaila (2012). (Reg. No. PGS/2002-2003/405012). The effect of personality characteristics on the teaching effectiveness of vocational and technical teacher educators in Kano State. **(Passed)**
3. Babaji, Haruna Usman ((2009). (Reg. No. PGS/98-99606014). An appraisal of technical competencies of basic Technology teachers in Gombe State. **(Passed)**
4. Kailani, Ibrahim Shittu (2012). Analysis of problems associated with students' persistence in business apprenticeship training centers: Implications on vocational trade development in Kano State **(Passed)**
5. Aliyu, Ahmed Deba (2009). (Reg.No.PGS/2002-2003/406199). Comparative effects of two problem-solving instructional models on pre-service teachers' problem- solving performance in circuit theory. **(Passed)**
6. Shuaibu, Babauro (2009). (PGS/2004-2005/603027). Comparative effectiveness of hands-on and virtual Demonstration techniques on the pre-laboratory performance and retention of electrical/electronics students at NCE (Technical) level. **(Passed)**
7. Abdullahi Abdul (2014). Teachers' and Students' perception of the psychomotor Processes used for skill acquisition in Elecctrical Installation and maintenance Works Trade in Bauchi State Technical Colleges **(Passed)**
8. Usman, Dogara Bulus (2014). Teachers' and students' perception of the teaching effectiveness of electrical installation and maintenance works teachers in Bauchi State. **(Passed)**

F. UNIVERSITY MANAGEMENT EXPERIENCE

1. Member on University Academic/Professional Board (Senate) [As Acting Dean: From 2003-2005; 2007-2009].
