Defending a thesis title involves a method where you showcase and elucidate your intended research to a committee of evaluators. This is a typical practice in many institutions where panels are established to assess and scrutinize research titles before they are permitted to proceed with the actual research. The defense typically consists of a question-and-answer session aimed at demonstrating the importance of the research you have picked and ascertaining if you, as a scholar, are actually capable of accomplishing it.

Emerging as a charismatic lawyer, activist, and leader, Mandela faced numerous arrests and imprisonments for his unwavering resistance and defiance. For 27 years, he endured the harsh conditions and isolation of Robben Island, a notorious prison island, where his optimism never wavered. His unwavering commitment to liberation continued to inspire and mobilize his people and the world at large. In 1990, he walked out of prison, free at last, and in 1994, he made history as South Africas first democratically elected Black president. Writing a synthesis paper requires pulling together information from multiple sources to show a well-rounded argument on a subject. Here are the stages to write a flawless structure for a synthesis paper:

1. **Choose a Appropriate Topic:** Select a topic that matches with your interests and the assignment needs.
2. **Conduct Thorough Study:** Explore different sources, including articles, books, and academic journals, to gather data.
3. **Outline Your Format:** Begin with an introduction that grabs the readers interest and states your thesis – what

Downloaded from mautech.edu.ng on December 5, 2023 by Herison w Williamson

your essay will argue. After that, outline what each of your body paragraphs will discuss. Be certain to add information from different sources.

4. **Write Paragraphs with Topic Lines:**

Devote each section to a unique sub-topic or source. Start with a distinct topic sentence straight related to your argument. Present the source you're combining and plan its key points. Support your arguments with evidence from the source, employing quotes, paraphrases, or summaries.

5. **Revise, Correct, and Proofread:**

Review your work for any mistakes or inconsistencies.
